

# One of the World's Largest Manufacturers of Connectors & Cables

Welcome to Metabee, your one-stop shop for all things connectors!

We are a leading provider of high-quality, reliable connectors for a wide range of industries, including automotive, aerospace, medical, and industrial.

We are committed to providing our customers with the best possible products and services, and we are always innovating to meet the ever-changing needs of our market.

Established in 2022, Metabee (Chengdu) Technology Co., Ltd. is a leading manufacturer of electronic connectors and industrial cables based in Sichuan Province, China.

We are committed to providing high-quality connectivity solutions for a wide range of industries, including:

**Automotive | Broadband Communications | Commercial Aerospace | Defense | Industrial | Information Technology & Data Communications | Mobile Devices & Mobile Networks**

## Main Products

Automotive

About

Products

Services

Customers

**RF Cable Assembly for Seamless Performance**

Wide Compatibility  
Low Loss and High Frequency  
Premium Shielding Effectiveness

**BNC**

50 & 75 Ohm  
Broad Compatibility  
CCTV

**SMA**

Versatile Compatibility  
Superior Signal Transmission  
Premium Quality Construction

**RF Coaxial Adapter Connectors**

Precision Engineering  
Premium Quality Assurance

**N-type**

Various Industries  
Including Telecommunications  
Military and Aerospace

**TNC**

Offer rugged reliability for outdoor and industrial use

**RF Mixers**

Low Noise Figure  
Excellent Linearity

**RF Attenuator**

Low VSWR  
Excellent Insertion Loss

**Rubber Duck Antenna**

Full Band  
3dBi | 5dBi | 8dBi | Customized  
SMA | BNC | N-type | IPEX | Customized  
Black / White / Customized

**PCB/FPC Antenna**

Full Band  
Easy Integration  
Compact Design

**Magnetic Antenna**

Full Band  
Versatile Mounting Options  
Powerful Signal Amplification

**Fiberglass Antenna**

Full Band  
Easy Integration  
Compact Design

**GPS Antenna**

1575.43 MHz  
28dBi  
SMA | Fakra-C

**FPV Antenna**

5.8GHz  
2 - 14dBi  
SMA | Fakra-C
