

Precision Connectivity Solutions

Factory Direct & Fully Compatible

- **20+** Years Excellence
- **300+** Employees
- **35,000m²** Manufacturing Base

A Reliable, Drop-In Alternative to Amphenol, TE, and ITT Cannon

A Global Manufacturing Powerhouse for Precision Interconnects.

Metabee integrates agile OEM/ODM capabilities with a state-of-the-art manufacturing base, providing drop-in alternatives to major international brands.

VOLUME DELIVERY

RF Connectors & Assemblies

RF Cable Assemblies / Communication

RF High-frequency Assemblies / 5G

RF Adapters / Lab Testing & Measurement

SMA/SSMA SMB/SSMB SMC/SSMC SMP/SSMP

BNC/Mini BNC N-type TNC DIN

IPEX / Smart Terminals & IoT

F-type / PAL / UHF / Broadcasting & CATV

MCX / MMCX / Navigation & Mobile Devices

MHV / FME / QMA / Specialized Signal

1.0/1.35/1.85/2.4/2.92/3.5mm / mmWave

RF Attenuators / Signal Attenuation

RF Dummy Load / Transmitter System

Antennas & IoT

Fiberglass / Outdoor Wireless Gateway

Panel Mount / Smart Cabinet

GPS / Positioning & Fleet Management

FPV / Unmanned Systems & Aerial Imaging

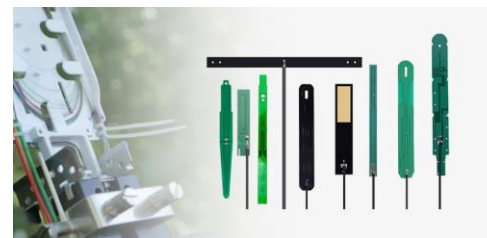

Rubber Duck / Routers & Terminal Devices

Magnetic / Mobile Vehicle Communication

PCB / FPC / Embedded Smart Devices

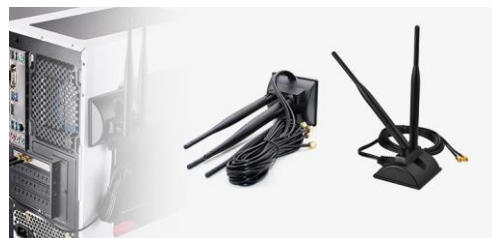

Ceramic / Compact Navigation Modules

Spring / Smart Home Control

PC / Terminal Wireless Communication

TV / Digital Media Reception

Yagi / Long-range Directional Transmission

Industrial Connectors Series

M5 Series / Industrial Robots

M8 Series / Warehousing Logistics

M9 Series / Medical Equipment

M12 Series / Intelligent Manufacturing

M16 AISG Series / Energy Equipment

7/8" Series / Mechanical Manufacturing

M23 Series / Servo Motor

M Series Wiring Harness / Servo Wiring Harness

GX Series / Petroleum Exploration

Waterproof Connector / Outdoor Lighting

NMEA 2000 / Marine

Underwater Connectors / Underwater Robot

New Energy & Automotive Connectors

Energy Storage / BESS

HVIL & MSD / EV Safety & Maintenance

RPT Series / New Energy Power

Low-voltage Signal / BMS

Battery Swapping / Equipment

High-voltage Wire Harness / EV Powertrain

Terminal Blocks / Electrical Distribution

Feed Through Barrier Terminal / Power

Fakra & HSD / Automotive Infotainment

DT Series / Construction Machinery

OBD / Vehicle Diagnostics & Telematics

Heavy-Duty / Industrial Heavy-Duty Interconnect

Aerospace & Specialized Connectors

MIL-DTL-26482 / Aerospace & High-end

MIL-DTL-D38999 / High-Reliability Avionics

MIL-DTL-5015 / Heavy Duty Machinery

P Series / Medical & Testing Instruments

FQ Series / Electronic System

SP Series / High-End Power Transmission

XS Series / Precision Aviation & Marine

PC Series / Instrumentation & Communication

ZH23 Series / Ship Power System

2PM Series / Measurement & Smart Devices

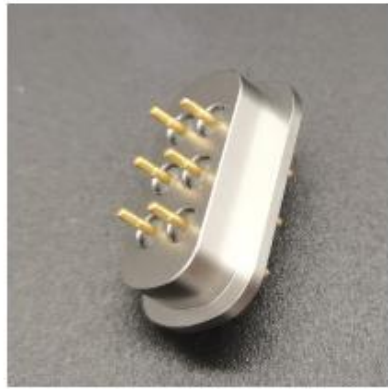

OHS Series / Specialized Equipment

Y2M/Y28M/Y36M / Y50 / Rail Transportation

Hermetic Connectors

Hermetic Connectors

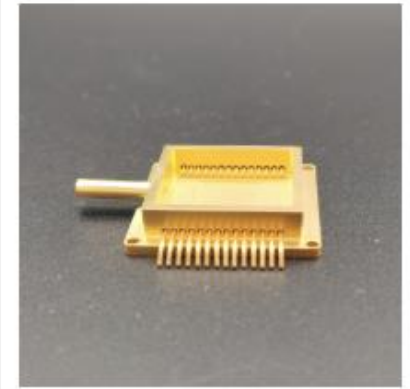

Hermetic Seal Headers

Glass-Sealed Connector

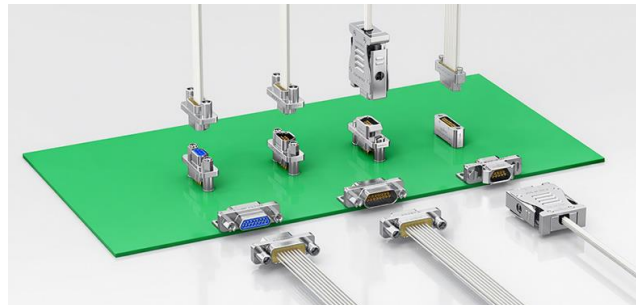

Hermetic Feedthroughs
